Detective Craig Hufford

Detective Hufford was nominated for this award due to his work on a recent Aggravated Criminal Sexual Abuse case, along with his many qualities of being a good detective and police officer. The Aggravated Criminal Sexual Abuse case began as a simple social media harassment complaint fraught with issues, including the victim's lack of candor. Detective Hufford worked diligently, sorting through a multitude of lies from the victim and suspect. He acquired several Facebook search warrants and sorted through the mass of information. He ultimately got a confession from the suspect. Because of Detective Hufford's intuition and tenacity, another child predator has been taken off the street.

In addition, twice during the month, Detective Hufford learned of the arrest of subjects that he needed to interview for previous serious cases. Both of these subjects were located and provided excellent statements against the suspects for these cases, one of which involved the death of an infant five months prior, the other being a Predatory Criminal Sexual Assault. Detective Hufford shows great work ethic and case awareness while juggling many complicated and long running cases. He is the epitome of a skilled investigator.
